ENQUIRY · DISCUSSION ·  
CONNECTION

An open invitation to anyone aged 18-30.  
**What is True and how do we recognise Truth?**

**Time: 2pm Saturday 1st July 2023**

**Venue: CERES Van Raay Meeting Room 2**  
Corner of Roberts and Stewart Streets,  
Brunswick East, Vic 3057.

Given the proliferation of fake news and artificial intelligence, how do we know what is true? What is Truth? How can we recognise Truth from deep fake?

Forum is a space to share ideas in a safe and encouraging environment – somewhere to bring questions and issues to discuss with others face to face. As well as discussing topics of immediate relevance to ourselves and those around us, we will practice the art of dialectic conversation.
